There is some talk of a Chinese  
laundry being started near the old toll  
house on the road to Tombstone. A  
white man is to come to town and  
gather the clothes. Whether the  
scheme will work remains to be seen  
by the patronage given it by our citizens  
most of whom are known to be against  
the heathen Chinese.

## A Leap for Life.

It is indeed pretty hard lines when a  
man works hard from day to day,  
striving to make a living and save up  
something for a rainy day, for the sup-  
port of his family, to go home some  
night and find the woman he has trust-  
ed for years in close intimacy with  
another man, in your own home and in  
the presence of your own children. As  
bad as it seems, yet such was the condi-  
tion of affairs that created a business  
man of our town on going home Satur-  
day night last. The husband went in  
the back door just in time to see the  
other fellow going out of the front door,  
and running to that door he fired a shot  
from his six-shooter as the fleeing  
figure landed the other side of the  
picket fence. The fleeing party then  
jumped over a low board fence, but  
failed to look before he jumped and  
landed on top of a ladder at the bottom  
of a twenty-six foot embankment, but  
even this failed to stop him, and when  
last seen he was making a world's record  
down one of our principal thorough-  
fares. The enraged husband, in com-  
pany with an officer, hunted at the bot-  
tom of the embankment for signs of  
party No. 2, but the broken ladder was  
all that showed the man had been there.  
Thus ended the first chapter. The  
second chapter opens with the husband  
taking his meals down town, and will  
undoubtedly end in a divorce suit at the  
next term of the district court.

## Wanted in Pima County.

Deputy Sheriff Lewis sometime since  
received a telegram from Sheriff Wake-  
field, of Pima county, that he wanted  
one Antonio Lopez for shooting a man  
at Rosemont and to arrest him. Day  
before yesterday Lewis found the man  
wanted and placed him in durance vile,  
and wired Sheriff Wakefield that he  
had his man. Last night Lopez thought  
he would prefer daylight to the interior  
of the jails at Bisbee or Tucson and in  
some way procured a saw and had nearly  
sawed his way to liberty when dis-  
covered by Officer Lewis. He now  
wears a pair of shackles and is chained  
to a ring in the floor of the jail, where  
he will be kept until he is taken to  
Tucson by the Pima county sheriff, who  
arrived on the train this afternoon and  
will probably take his man back in the  
morning.

Another Mexican, named Thomas  
Arambulo, wanted in Tucson on a charge  
of felony, was also arrested by Officer  
Lewis and confined in the city jail. Thomas  
will also be taken back to the  
old pueblo by Sheriff Wakefield. Aram-  
bulo is charged with the abduction of a  
15-year-old girl from her mother. A  
deputy constable named Pedro Roder-  
iquez from Tucson located Arambulo  
and his stolen senorita in Upper Da-  
bacher canyon and in company with  
Officer Lewis and an Oms reporter  
made the arrest this morning. The  
young senorita is glad of the oppor-  
tunity of being returned to her  
mother. Still she did not like the idea  
of being locked in a separate cell from  
Thomas.

John Duffey, the butcher, is at Hook-  
er's hot springs, where he is under-  
going treatment for his rheumatism.

Mrs. J. Kenny has taken charge of  
the Central Lodging houses, in place  
of Mrs. Rice, who will leave in a few  
days for a visit to her old home.

Engine No. 2 of the A. & S. E. has  
been taken out of the round house and  
will be put on the road tomorrow. She  
has been repainted and presents a good  
appearance.

Benjamin Orne, James Shirley, W.  
W. Vanderbilt and Father Queto left  
this afternoon on an extra for Fairbank  
where they will take the the Nogales  
train on their way home to Prescott.

J. C. Callahan, of Morenci, arrived in  
Bisbee Sunday, and has accepted a po-  
sition in the office of the Copper Queen  
store as ticket clerk, in place of A. R.  
McLeod, who has resigned.

Joseph Hoeller, the well known Tomb-  
stone merchant, left Saturday for Colo-  
rado Springs, Colorado, from where he  
will go to the old country on a three  
months' visit.

James Kelley, the grocery clerk who  
left here recently for San Diego, was  
married in that city a few days since to  
one of the belles of that place, and is at  
present enjoying his honeymoon in San  
Francisco.

Dyspepsia can be cured by using  
Acker's Dyspepsia Tablets. One little  
Tablet will give immediate relief or  
money refunded. Sold in handsome  
tin boxes at 25 cts. Sold by J. S.  
Williams & Co.

Tom York, the well known Huachuca  
rancher, came in this morning from  
that point. He reports good rains in  
that vicinity and that the grass has  
started up in excellent shape, and the  
indications now are that there will be  
an abundance of food for cattle.

Thomas Rhoads, Centerfield, O.,  
writes: "I suffered from piles seven or  
eight years. No remedy gave me relief  
until De Witt's Witch Hazel Salve, less  
than a box of which permanently cured  
me." Soothing, healing, perfectly  
harmless. Beware of counterfeits.

## Played Out.

Back headache, pains in various par-  
ts of the body, sinking at the pit of the  
stomach, loss of appetite, feverishness,  
pimples or sores are all positive evidence  
of impure blood. No matter how it be-  
comes so it must be purified in order to  
obtain good health. Acker's Blood  
Elixir has never failed to cure Scrofi-  
lous or Syphilitic poisons or any other  
blood diseases. It is certainly a wonder-  
ful remedy and we sell every bottle on a  
positive guarantee. Sold by J. S.  
Williams & Co.

W. H. Broome met with a painful  
accident last night which is liable to  
lay him up for some time. While go-  
ing into the stable where he keeps his  
team, one of the horses became fright-  
ened and planted both of his hind feet  
in the pit of Mr. Broome's stomach,  
hurling him with considerable force  
against the side of the barn where he  
was picked up by parties living in his  
house. He was carried to his bed and  
the doctor summoned. He is feeling  
some better today but is still in a bad  
condition.

Notwithstanding the building boom  
which has been in progress in this city  
for many months, the demand for houses  
and business rooms keeps abreast of the  
supply; and the indications are that  
when the next winter's influx is fully  
on the demand for houses will greatly  
exceed the supply, and many people de-  
siring of wintering or locating perma-  
nently in the city will be forced to leave.  
Truly Bisbee is growing at a rapid pace.

Gun-shot wounds and powder-burns,  
cuts, bruises, sprains, wounds from  
rusty nails, insect stings and ivy poison-  
ing,—quickly healed by De Witt's  
Witch Hazel Salve. Positively prevents  
blood poisoning. Beware of counter-  
feits. "De Witt's" is safe and sure.  
Copper Queen Mining Co.

Phineas Frary, a former resident of  
Tombstone, a brother of Tom Frary and  
Mrs. Ward Priest, died at the Hedges,  
near Yuma, on Sunday July 9th. The  
deceased has a number of friends in  
Bisbee, who are sorry to hear of his de-  
mise.

## A Night Of Terror.

"Awful anxiety was felt for the wid-  
ow of the brave General Burnham of  
Macbias, Me., when the doctors said  
she could not live till morning" writes  
Mrs. S. H. Lincoln, who attended her  
that fearful night. "All thought she  
must soon die from Pneumonia, but she  
begged for Dr. King's New Discovery,  
saying it had more than once saved her  
life, and had cured her of Consumption.  
After three small doses she slept easily  
all night, and its further use completely  
cured her." This marvelous medicine  
is guaranteed to cure all Throat, Chest  
and Lung Diseases. Only 50c and \$1.00.  
Trial bottles free at the Bisbee Drug  
Store and Copper Queen Co.

## If Children were Taught

In school that good health is  
impossible with bad teeth there would  
be fewer toothaches, fewer sick people  
and fewer large dental bills. Every-  
thing has a beginning. You have the  
choice of attending to your teeth when  
there is not much to be done, or you  
can put it off until there will have to be  
a great deal done. It's the false econo-  
my to procrastinate. The present is  
the time to act.

## COPPER IS THE METAL.

The Cochise Copper Mining Company,  
Bisbee, Arizona.

This company owns a very valuable  
group of mines situated in Warren  
mining district, county of Cochise,  
Arizona, lying immediately east of and  
adjoining the town of Bisbee, and ad-  
joining the property of the Copper  
Queen Consolidated Mining company on  
the north. The latter company has  
been in operation for about twenty  
years, and employs about 1,500 men  
daily in the operation of its mammoth  
mine and smelter, and as a result  
has produced copper to over 34,000,000  
pounds during the year 1898, and the  
net proceeds of such production are  
reported to have been over \$2,000,000,  
and it has been said by experienced  
miners who have been under its em-  
ploy for years, that the Queen mine  
now has sufficient ore in sight to keep  
it in constant operation for the  
next twenty years without further de-  
velopment.

Is it not reasonable to believe that  
the property of the Cochise company is  
fully as valuable, when it is within  
such close proximity to such a won-  
derful mine?

The blasts set off in the underground  
workings of the Queen property can  
easily be felt and heard at the shaft of  
our mine, and oftentimes the concussion  
has attracted marked attention.

The original owners of these valu-  
able mines are local business men, well  
and favorably known in Bisbee and  
surrounding vicinity, who are doing  
their utmost to make this enterprise a  
success in every respect. The board of  
directors are original owners, and are  
donating their services to the com-  
pany until such time as the mine will  
pay dividends. They own the con-  
trolling interest in this property, and  
as a protection to stockholders have  
placed their entire interest in escrow  
for a term of one year.

The stock books of our company are  
now open for subscriptions, and a lim-  
ited number of shares are offered at  
ten cents per share. No application  
for less than 100 shares will be ac-  
cepted.

The company reserve the right at  
any time to advance the price of shares  
without further notice, or to reject any  
application for stock at their discre-  
tion.

Every cent received from the sale of  
stock will be expended toward the de-  
velopment of our property, and the  
erection of hoisting works, and all  
other necessary improvements, and to  
make our enterprise a success in every  
particular.

We invite investigators and their  
experts or their engineers to closely  
scrutinize our property.

Applications for shares may be made  
to any of the directors of the com-  
pany, or to any of our legally author-  
ized representatives.

J. MUHEIM, Supt. & Treas.
